Ulm, 8.4.2024

Dear Dr. Agha,

it is our pleasure to inform you that your submission to the ZwickRoell Science Award 2023 competition

„A Method for Measuring In-Plane Forming Limit Curves Using 2D Digital Image Correlation” in
SAE International Journal of Material Manufacturing Volume 16, Issue 3 (2023)

has been awarded the **2nd place**.

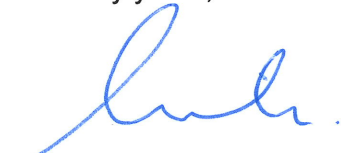

For the ZwickRoell Science Award 2023, scientific publications from 162 participants and from 35 countries have been submitted. From a shortlist, the Science Award jury gave your publication the second highest rating at the occasion of a jury meeting on 3.4.2024.

The 2nd place is endowed with € 2000 and will be awarded to you this year at the ZwickRoell testXpo2024, which will take place in Ulm, Germany, from 21.-24. October 2024.

We will contact you shortly to inform you about further details of the awarding ceremony, during which we ask you to present your award winning work.

On behalf of the ZwickRoell Group, I would like to thank you for your participation and congratulate you and your fellow authors on this great success!

Sincerely yours,

Klaus Cierocki (CEO)
